

# Facility Naming Program

## Recognition for Major Gifts

New and existing facilities may be named in recognition of donors to the College, Educational Foundation, or Scholarship Foundation.

The SCC District makes facilities naming available to recognize significant monetary contributions. Naming recognition may also be considered for an individual or a business or organization who has made a significant contribution of time, effort, or service to SCC Solano Community College District.

The Superintendent-President's Office and the SCC Educational Foundation publish recommended contributions for specific areas. A financial gift shall not automatically result in the naming of a building or area. The final decision is made by the SCC District Board of Trustees. Below are typical examples of the financial contribution required:

- Individual seat plaques typically start at \$250-\$500.
- Naming of offices and study rooms begins at \$2,500.
- Naming of classrooms and meeting rooms is typically from \$10,000 to \$100,000.
- Major spaces and labs or campus areas such as patios, lobbies, sports fields, the bookstore, or cafeteria begins at \$100,000 to \$250,00.
- Existing buildings may be named, such as the library or gymnasium on the main campus or other buildings at any SCC location. These require gifts above \$1-5M.

Each naming recognition must be consistent with mission and goals of Solano Community College. The District Governing Board must approve the facility name upon a recommendation of the College Superintendent-President in consultation with the SCC Educational Foundation and/or SCC Scholarship Foundation as appropriate.

### Recent Construction and Renovation Projects

#### Library and Learning Resource Center

This 59,000 sq. ft. building replaced the Library on the Fairfield campus. Construction was completed in May 2021.

#### Performing Arts Center Renovation

Completed Fall 2017 and includes a modernization, lobby expansion, and facade upgrades.

#### Automotive Technology Building

Completed Fall 2017, this Vallejo project is home to SCC's largest career-tech program.

#### Biotech and Science Building

Completed Fall 2017 at the SCC Vacaville Center, this building houses the new Bachelor's Degree Program.

**Science and Veteran's Center** This state-of-the-art 44,000 sq. ft. Fairfield campus project was dedicated in August 2019.

# Facility Naming Program

## Library & Learning Resource Center

*Completed Spring 2022*

Please consider a legacy gift to Solano Community College. The new 59,252 sq. ft. two-story Library & Learning Resource Center is the symbolic and physical heart of the Fairfield Campus. As the name implies, it's a state-of-the-art facility offering students with the latest technology to enhance the learning environment. Included are the traditional library print resources, plus computer and digital resources, study rooms, tutoring, an audio visual arts television studio, and a faculty/staff training center. In addition, the building includes the College's Data Center for institution-wide technology.

Below is a summary of spaces available for naming:

- Seat plaques may be placed at individual study spaces along the edge of the atrium on the second floor.
- Small group study rooms may be named that are designed to accommodate from 4 to 17 students.
- Any faculty or staff office may be named, as well as the staff meeting room, lounge and IT room.
- The main lobby on the ground floor, as well as the formal building name is available.

Each naming recognition must be consistent with mission and goals of Solano Community College, and is subject to District Governing Board approval.

*Please consider a gift today! Your contribution will make a lasting impact on the next generation of SCC students.*

### *Major Naming Opportunities*

*Academic Success & Tutoring Center.* The ASTC provides a supportive environment to study and complete homework with tutoring for individuals and groups, meetings with instructional assistants and instructors, access to computers and printers, and help with online access. Student retention rates and class success rates are higher among ASTC users than non-ASTC students, and the average term GPA is higher as well.

*Audio Visual Arts & TV Studio* This state-of-art space is designed to provide students with the fundamental theory and practical experiences required for a career in film and/or television. This includes behind the screen activities, film production, editing and directing. The College has an active sports broadcasting program as well.

*Quite Study Lab & Reading Room* Two major study spaces could be named for 21 and 40 students in a quite environment.

***Funds raised in this campaign will be devoted to enhancing student resources available in this Center within the disciplines described above, or for endowed scholarships. Contact Curt Johnston for more information.***

# Quick Facts

## About Solano Community College

### Did you know....

- SCC is one of the most ethnically diverse community colleges in California, reflecting the population in Solano County.
- SCC is the number one college choice for Solano County residents. SCC educates half of the public high school seniors bound for State colleges and universities in our District.
- SCC is an affordable pathway to a four year university or good paying technical career. Tuition is just one-tenth of UC, yet most of our students need financial assistance to stay in college. SCC is just one of 15 community colleges in California to offer a Bachelor's Degree.
- SCC provides career technical education in subjects such as auto tech, drafting, accounting, nursing and biotechnology. These programs are also available to military veterans, workers that suffered a job loss, or retired individuals with the desire to train for a new career.
- SCC is a part of the California Community College (CCC) system that is one of the most efficient higher education programs in the US with 1.8 million students in 116 colleges.

### Fall 2022 Demographics

#### Students and Classes

- Nearly 12,000 Students Annually
- 8,426 Fall 2022 Semester Students
- 873 Credit Sections/Classes

#### Ethnicity/Race

- 35% Hispanic
- 23% White, Non-Hispanic
- 16% Asian/Filipino/Pacific Islander
- 14% African American
- 10% Multi-Ethnic

#### Age/Gender

- 36% 19 years old or less
- 29% 20-24 years old
- 31% 25-49 years old
- 5% 50 years or older
- 55% Female
- 42% Male

#### Financial Aid Recipients

- About half of SCC students receive some form of financial aid
