At the Opening Night Gala On Saturday, September 9th, the curtain will be raised for the first performance at the renovated Performing Arts Center. Join the celebration of 50 years of bold and dynamic theatre arts and music at Solano Community College. The Gala will be a fun cocktail event with short performances highlighting the best of SCC arts in a dramatic new building.

The Opening Night Gala theme is “Back To The Future.” For us, this means creating a future as bright as the past by training the next generation of performing arts students in Solano. The SCC Performing Arts Center is a building dedicated to higher education with teaching labs for acting, choral and orchestra, practice rooms for individuals and small groups; a recording studio for sound and video editing; and shops for set and lighting production, and costume design. All proceeds from the Opening Night Gala will benefit the SCC Educational Foundation and SCC Theatre Arts and Music programs. **Tickets are \$100. The dress is Cocktail Attire.**
